

Dog walking contract

Dog name

--

Location of pet walking equipment

--

Please fill in form as truthfully as possible as incorrect information may incur a cost or termination of contract. Witham Whiskers and Walks will do our best with dogs with a range of behavioural concerns, so an accurate representation of their behaviour will help keep both your dog and the handler safe.

How well does your dog walk on the lead? (0 = very well, 10 = strong puller)

0	1	2	3	4	5	6	7	8	9	10
---	---	---	---	---	---	---	---	---	---	----

Reactivity on lead

Reactivity to other dogs (0 = dog neutral, 10 = highly reactive to all dogs)

0	1	2	3	4	5	6	7	8	9	10
Further comments:										

Reactivity to people (0 = neutral/friendly towards all people (including being touched), 10 = highly reactive to people)

0	1	2	3	4	5	6	7	8	9	10
Further comments:										

Reactivity to other things – notes

Friendliness with strangers (people)

On-lead

Off-lead

Any further notes?

Friendliness with other dogs

On-lead

Off-lead

Any further notes?

Known fears or dislikes (these can be specifically related to walks or more general fears and dislikes)

Any previous negative experiences when outside of the home which may influence behaviour? (e.g. has been in dog fights)

Do you use a muzzle when outside of the house? (If yes, please state why)

Preferred walking equipment (e.g. harness, halti head collar, collar and lead)

Any known dislike of this equipment (e.g. doesn't like harness being put on?)

Is your dog allowed off-lead? (Yes/No)

*If yes: please fill out **off-lead consent form***

Any preferred methods of handling? (e.g. loose, sniffy walks or structured training walk to improve loose lead walking)

Further notes to help Witham Whiskers and Walks?

Would you be interested in your dog taking part in group walks with other suitable dogs in the future? This will only be an option once Witham Whiskers and Walks have assessed suitability for them to take part in group walks. These will come at a reduced cost. (Yes/No)
